## EXPERIENCE

---

### CISCO

Chicago, IL

#### **FLEX Rising Leaders Program - Government Affairs**

May 2026 – Present

- FLEX is a leadership development program designed to grow innovative MBA/Master's talent into key leadership roles.

### CONGRESSIONAL RESEARCH SERVICE – *The research and advisory arm of the U.S. Congress*

Washington, D.C

#### **Africa Analyst, Digital Economy and Energy Transition**

July 2024 - July 2025

- Directed legislative strategy on digital economy and energy issues across 15 African nations, with recommendations influencing 10+ congressional bills and securing \$250M in development funding.
- Strengthened U.S.-Africa bilateral relations by supporting Congressional Delegations across 27 African countries to expand digital infrastructure, facilitate supply agreements for critical energy transition minerals, and advance renewable energy partnerships—resulting in 5 new trade agreements.

### INFORMATION TECHNOLOGY INDUSTRY COUNCIL (ITI) – *A global technology industry trade association*

Washington, D.C

#### **Policy Fellow, Digital Trade (6-month term)**

December 2023 - July 2024

- Directed policy advising for 80 Fortune 500 technology companies on national digital trade policy, with strategies contributing to the passage of 4 congressional bills.
- Spearheaded a coalition of 15 technology associations to execute 12 Capitol Hill briefings, securing bipartisan co-sponsorship for 3 digital trade amendments and advancing data-flow protections in USMCA modernization.

### THE ECONOMIST INTELLIGENCE UNIT – *The research and advisory arm of The Economist magazine*

Washington, D.C

#### **Editor & Policy Analyst**

September 2020 - September 2022

- Delivered high-impact strategic intelligence by leading 10 major Fortune 500 client projects from conception to completion, with analysis driving \$25M+ in corporate investment decisions across emerging digital markets.
- Drove significant revenue growth by translating complex digital infrastructure analysis into actionable C-suite strategic reports, generating \$1.5M in direct revenue and securing a 85% client retention rate.
